IMAGINAIRE CELTIQUE

<https://www.youtube.com/@imaginaireceltique>

Description

Who are the Celts? What do we know about their rites and beliefs? What do we know about their deities and heroes? What is the legacy of the Celts in our contemporary cultures? Our aim is to make current knowledge about the Celtic world – myths and legends, history and culture, languages and identities – accessible. Each video is a short interview of a specialist who discusses a specific topic. The content is accessible to anyone, experts and amateurs alike. Feel free to subscribe to our Channel about the Celtic world and share it as much as you like!

The *Imaginaire celtique* team

Frédéric Armao, Associate Professor, University of Toulon, France

Noémie Beck, Senior Lecturer, University of Savoie Mont-Blanc, France, in delegation at the University of New Caledonia
